

**Here you find us in the northern part of Cologne’s inner city:**

By **train** you ride to Cologne Main Station (“Köln HBF”) and carry on with the “S-Bahn” only one station to station “Hansaring”. Generally you best take

- S6 in the direction “Köln-Nippes”,
- S11 in the direction „Düsseldorf-Wehrhahn“,
- S12 in the direction “Düren” or “Sindorf” or
- S13 in the direction “Köln-Hansaring”.

Within walking distance you find the entrance to the courtyard Krefelderstrasse 18. You can also walk directly from Cologne Main Station. Then you need about 15 minutes.

By **plane** you arrive at the „Cologne Bonn Airport“. From its station you can take the train S13 directly to station “Hansaring”. The ride takes about 20 minutes.

**TIP:** If you have time left, enjoy the lively mixture of different cultures around the so called “Eigelstein”. In its centre you find a tower gate. It is one of two gates remaining from Cologne’s medieval city wall.
