Market Study Municipal Sewage Sludge Disposal 2035, 2023	1,200 €	2,400 €	poa

Packages

Price per year. Minimum subscription period: 2 years.

Waste to Energy Package	3,300 €	6,600 €	poa
<i>includes annual market report Waste to Energy, w&b Monitor and access to online archive, access to w&b Data (WtE module with WtE project tracker)</i>			
Biomass to Power Package	3,400 €	6,800 €	poa
<i>includes annual market report Biomass to Power, w&b Monitor with access to online archive, access to w&b Data (BtP module with BtP project tracker)</i>			
Waste & Bio Package	5,600 €	11,200 €	poa
<i>includes annual market reports Waste to Energy and Biomass to Power, w&b Monitor with access to online archive, access to w&b Data (WtE and BtP modules, including WtE and BtP project trackers)</i>			

Explanation

- Single user version: online access for 1 user / in case of market reports: personalised, password-protected PDF file.
- Company version: online access for an unlimited number of users within one company (one legal entity) / in case of market reports: non-personalised PDF file.
- Corporate version: for different, legally connected companies (e.g. sister companies, subsidiaries abroad). Price depends on number of legal entities and users. Please contact ecoprolog for details.
- POA: Price On Application
